

# PRETTYLITTLETHING

Introducing [Gabrielle Epstein](#); Australian born model, Instagram sensation and PrettyLittleThing latest Brand Ambassador who has curated her very first edit with PrettyLittleThing. Known for her killer bikini snaps, sun kissed glow and travelling the world one beach at a time with her 2.3 million followers. This edit is made for those who want sand in their toes and sun on their skin.

Working a beachside wardrobe like no other, our girl Gabby Epstein is serving up the looks that will have you turning heads this season. Get ready to sizzle in strappy 'kinis, figure-worshipping swimsuits, sarongs and chic accessories. When you're done soaking up the rays, style fresh white palazzo trousers with an off-white blazer and a matching fedora. Ready for some sundowners? Show off your sun-kissed glow in a bandeau crop and light-wash distressed jeans. You've got this season's hottest looks on lock, babe. Shop the edit now.

Get ready to double tap on the 'Gram and bring the outfits to life whether it's at the beach, brunch or your next vacay.
