

PRETTYLITTLETHING

Love is in the air. Brand Ambassador [Kelly Gale](#) just dropped her Valentines inspired edit with everything you need on your love radar right now for those loved upped or boss girl singleton looks, getting you ready for the season of romance.

Get ready to impress with figure flattering bodycon dresses with sweetheart, corset or high neck detailing a perfect trio for a first date, romantic dinner or girl's night out. This edit is all about feminine styles, sexy pairings and chic staples solving all your Valentine's outfit dilemmas for every occasion. Start a romance in seriously lust-able looks in the hottest red hues, cupid sketch prints and soft touch velvets giving you styles that are a perfect pairing, just like you and your date.

Keep it mysterious and your date wanting more by pairing your killer heels with a boss girl suit, hook and eye corset top and a bag girl baguette shoulder bag. For those that are out with their girl gang show a little skin in a cute two-piece set or opt for a leather look trouser and a nice top combo.

Whatever the valentines occasion PrettyLittleThing are sending cupid's arrow your way. Shop the edit from Thursday 16th January, available in size 6 – 16, £12-£35
